1. The licence

Karen O'Brien, trading as Coffeebreak ("Karen"), grants the buyer named above a non-exclusive, non-transferable licence to use the Darko Fan Mini build sheet to make **one (1) fan** for personal use.

2. What you may do

- Make one fan from the build sheet, for yourself.
- Sell or give away the one fan you made.

3. What you may not do

- Copy, share, post, forward or resell the build sheet or the design, in whole or in part.
- Make more than one fan, or mass-produce or manufacture the design.
- Use the Coffeebreak or Darko name or logo, including on the fan you made or when you sell or give it away.
- Transfer this licence to anyone else.

4. Ownership

Karen keeps all rights, title and interest in the Darko Fan designs, build sheets, names and logos. Nothing in this licence transfers any of them to you. Other brand names mentioned in the build sheet are trademarks of their owners. Karen claims no ownership of them and has no partnership with them.

5. Safety and no warranty

The build sheet is provided "as is", with no warranty of any kind. You build and use the fan at your own risk, and you must follow Australian electrical safety law. Only use RCM-approved products and certified power supplies. Any mains (240 V) wiring or ceiling fan installation must be done by a licensed electrician. To the extent the law allows, Karen is not liable for any loss, damage or injury from building or using the fan. Nothing here limits rights you have under the Australian Consumer Law that cannot be excluded.

6. Ending the licence

This licence ends automatically if you break any of its terms. If it ends, you must stop using and delete the build sheet.
